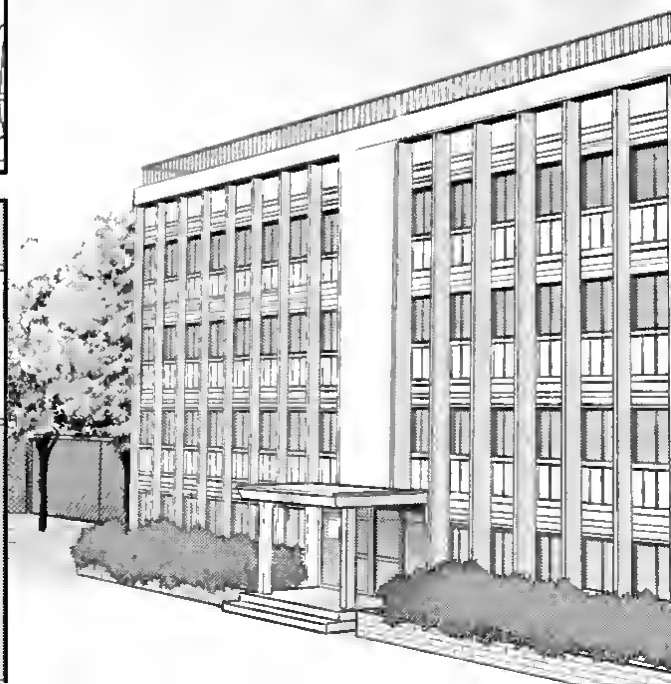
Whenever I'm with him, there's a part of me that expects something in the future.

I can't!
I can't!
I can't!

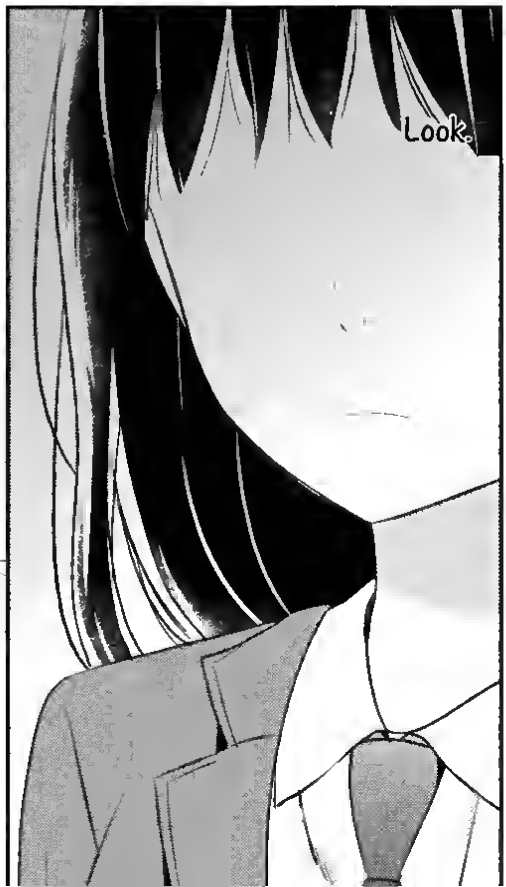
That time I was the only one the by chance so we just went together, that's all.

I can't expect
something.

Or else the world
will end tomorrow.



He can make many friends he want to even if I leave him be.



I'M GLAD.
